masterack®

COMMERCIAL VEHICLE EQUIPMENT

Masterack is North America's leading supplier of high-quality van interiors. You can now specify the same commercial grade equipment used by the nation's largest fleets. Masterack is also the industry's *only* manufacturer of light-weight wire and composite interiors for the Sprinter. Wire interiors are made from high-strength welded wire providing a high strength-to-weight ratio. CSS® composite interiors are eco-friendly and quiet. Choose from a large selection of partitions, interiors, vocational upgrades, and accessories to customize your Sprinter today.

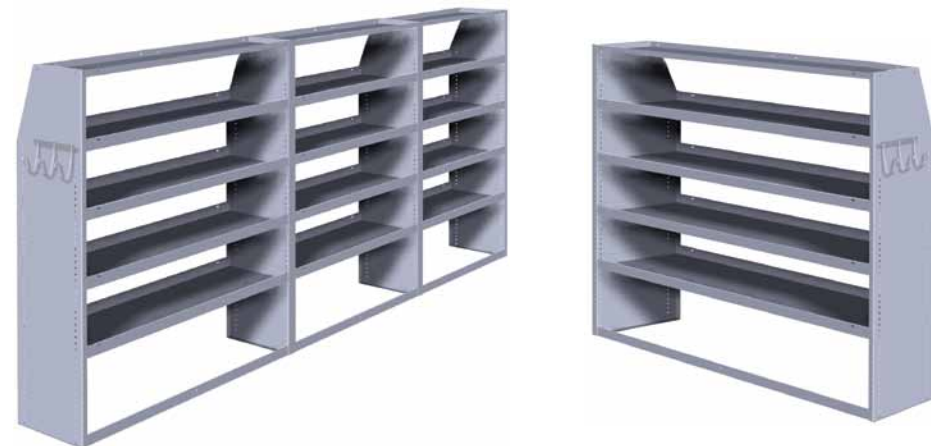

Choose from
STEEL,
COMPOSITE,
or WIRE
Sprinter interiors!
