# masterack® Ford Transit Connect

Masterack® Racks & Bins, North America's best selling interiors for the Ford E-Series, produces the same high-quality commercial van equipment for the Ford Transit Connect! All of these products have been designed to fully utilize the Ford Transit Connect's impressive cargo height, generous payload, and spacious floor profile.

## Partitions

**ECONOMICAL & LIGHTWEIGHT.** Full length welded wire partition offers optimal visibility. Both driver and passenger can be assured comfort with a six inch set-back for seat recline. Bolts to existing system on floor for ease of installation. Black powder coat finish.

**02B931KP** WIRE MESH PARTITION - CARGO VAN

**MAXIMUM SECURITY.** Steel partition presents maximum cargo security. A six inch set-back behind driver and three inch set back behind passenger allow driver to recline, while still maximizing cargo area on passenger side. Perforation across entire partition limits blind spots. Black powder coat finish. Add polycarbonate window panels to help control noise and temperature.

**02B932KP** STEEL PARTITION

**02B959KP** POLYCARBONATE WINDOW PANELS

## Rear Pull Out Drawer System

This versatile system is perfect for any application from technical sales and service fleets to electronics repair. Fits in both the Transit Connect cargo and wagon. Heavy-duty carpeted drawers slide out to full extension. Durable textured black finish provides quality look and feel. Two drawers included, with additional drawers available. 32"H x 46"W x 28"D

**02B960KP** REAR PULL OUT DRAWER SYSTEM

**02B961KP** ADDITIONAL DRAWER

## E-Track Cargo Management System

This cargo management system is perfect for securing bulk cargo. Includes E-Track for passenger and driver side of vehicle and heavy-duty tie down straps. Compatible with Transit Connect EconoCargo® Wall Liner system.

**02B934KP** E-TRACK CARGO MANAGEMENT SYSTEM
